

1 Add 2 Cal. Code Regs. Section 18534 to read:

2 **§ 18534. Expenditures in Support of or Opposition to Candidates for State Elective Office,**
3 **and Accounts.**

4 (a) Definitions: For purposes of this regulation, “non-candidate-support” refers to
5 contributions accepted for purposes other than making contributions to candidates for elective
6 state office. “Candidate-support” refers to contributions accepted for the purpose of making
7 contributions to candidates for elective state office.

8 (b) Any committee that accepts a contribution in excess of the annual contribution limit
9 in subdivision (c) of Government Code section 85203 or subdivisions (a) or (b) of Government
10 Code section 85303, and makes contributions to candidates for elective state office must, prior to
11 making the contribution, establish a separate candidate-support account. The account shall be
12 designated in its title as the “candidate-support account,” and all checks drawn on the account
13 shall state its proper designation in the title of the account. Each non-candidate-support account
14 shall state in its title and on all checks drawn on the account its designation as a “non-candidate-
15 support account.” (For example, “Non-candidate Issues Account or “Independent Expenditure
16 Account.”)

17 (c) Any committee that receives a contribution in excess of the annual contribution limit
18 in subdivision (c) of Government Code section 85203 or subdivisions (a) or (b) of Government
19 Code section 85303 shall deposit the entire contribution into a non-candidate support account.
20 Within fourteen calendar days of the receipt of the contribution, the committee may transfer a
21 portion of the deposited contribution not to exceed the annual limit for that contributor under
22 subdivision (c) of Government Code section 85203 or subdivisions (a) or (b) of Government

1 Code section 85303 to the committee's candidate support account. A transfer pursuant to this
2 subdivision will not constitute acceptance of a contribution in excess of the limits as set forth in
3 regulation 18531.

4 (d) Any committee that receives a contribution that is earmarked for candidate or non-
5 candidate-support shall deposit the contribution as instructed by the earmarking. A contribution
6 earmarked for candidate support that is in excess of the annual limit for that contributor under
7 subdivision (c) of Government Code section 85203 or subdivisions (a) or (b) of Government
8 Code section 85303 shall be returned prior to deposit or negotiation to the contributor within
9 fourteen days of receipt.

10 (e) No contribution to a candidate for elective state office may be made from a
11 committee's non-candidate support account.

12 (f) A committee may transfer funds from its candidate support account to its non-
13 candidate-support account. Any such transfer, however, will not be considered in determining
14 whether any person contributing to the committee has or has not exceeded the annual
15 contribution limit for that person under subdivision (c) of Government Code section 85203 or
16 subdivisions (a) or (b) of Government Code section 85303. Except as set forth in subdivision (c)
17 above, a committee may not transfer funds from its non-candidate-support account to its
18 candidate-support account.

19 **[Decision Point:** (g) A committee may not accept or deposit any contributions or funds
20 from any non-candidate-support account of any other committee into the committee's candidate-
21 support account. A committee may not transfer to, or otherwise make any contributions from its
22 non-candidate-support account to any other committee's candidate-support account. A

1 committee making a contribution to any other committee must notify the receiving committee
2 whether the funds contributed are from the contributing committee's non-candidate-support or
3 candidate-support account. A check with the proper designation of the account in the committee
4 title on its face shall be presumed to be adequate notification of the nature of the funds to the
5 recipient committee.]
